Carson City builder completes construction for one of Reno's newest, hottest restaurants

*Fatburger, at Summit Sierra mall, is
already drawing crowds and a loyal fan base*

Carson City, NV – April 27, 2011 – Shaheen Beauchamp Builders, LLC announces the completion of its newest tenant improvement project for Fatburger in Reno's Summit Sierra lifestyle mall. Located next to the Century Theaters, Fatburger is an ideal eatery for theater-goers as well as hungry shoppers and drive-by traffic from US 395.

Fatburger, a national franchise gourmet burger shop, serves up high end hamburgers and chicken burgers. To deliver on their company slogan as *The Last Great Hamburger Stand*, Fatburger required a general contractor that could complete the project in 90 days, provide a competitive price and not impact the Summit operations. Shaheen Beauchamp Builders, a preferred builder for the Summit Sierra, was selected to transform the 2,000 square foot space into a fun restaurant atmosphere that promises to make loyal customers of its patrons.

"We were privileged to be chosen for the Fatburger project," said Mark Beauchamp, Shaheen Beauchamp partner. It's a great restaurant with great food and management. It's a fun addition to the Reno restaurant scene and one that we are happy to have helped bring to the Summit Sierra."

Fatburger is relatively new to the region and has now expanded to two locations in Reno: one at Northtowne Lane and the other at the Summit Sierra lifestyle mall.

"We interviewed several contractors and were very lucky to have chosen Shaheen Beauchamp Builders," said Albert Yang, Fatburger owner. "Their team was very professional and from the first day took great care of the many details involved in our project. We appreciated the fact that Shaheen Beauchamp Builders was very hands on."

Shaheen Beauchamp Builders has successfully completed multiple projects at the lifestyle mall. Their projects at the Summit Sierra include Aldo, Tangerine Alveda Salon, No Fear as well as the last two shells of the mall which now houses Lens Crafters, Charming Charlie and Fidelity Investments.

In addition to Fatburger, Shaheen Beauchamp Builders, LLC is has also recently completed projects in Carson City, Fallon and Battle Mountain. For more information about Shaheen Beauchamp Builders, please call 775-885-2294 or visit www.sbuilders.com.
